

(1)

“Mood lights”

Series of colored mood lights (LED) that can be tuned for any intensity; dim, bright, daylight etc. A theory on how light reflects our mood will also be sent attached with the gift.

Driving message : Netmagic services are as customized to the needs of a business.

(2)

“Inner light”

Diwali also signifies a time when you can let your inner light glow. A pack of “Art of living” CDs, DVDs, books or a 3-day Vipasana Voucher will be sent to the customers.

Driving message: While Netmagic manages your IT setup, you can relax and rejoice.

(3)

“Diwali Medicine”

Typically on Diwali people eat a number of sweets and other delicacies that tend to upset the stomach. However, as in South India, there is a tradition of taking herbal mixture that will prepare your body for all the sweets.

We will send the customers a package with all the ingredients in the right quantity along with the recipe.

Driving message: Netmagic – we take care of your business and you.

(4)

“Coffee beans”

A pack of 4-6 different varieties of coffee beans in customized coffee cups will be sent. Each coffee variety will have a related story attached with it. A story on how coffee affects our productivity will also be communicated.

Driving message: While Netmagic watches your IT, you can focus on everything else.

(5)

“Chinese lamps”

A set of 3 chinese lamps which rise in the air when lit.

Driving message: Take your business to greater heights with Netmagic.
